CERTIFICATE

Permission to use the **test mark**

"tested component – conformity to VDI 6022.1 / SWKI VA 104-01"

The
Engineering Company Dr. Winkens gui-lab
hereby confirms that the product – group

"Air Handling Unit"

[Group members: see product certification data sheet]

conforms to the actual requirements of VDI 6022 Part 1 for central air-conditioning units. In that regard, this certificate applies a verified manufacturer's declaration by VDI-certified and specialised engineers, Category RLQ, according to VDI 6022 Part 1 (2018-01), Annex A, Table 7, No. 8.1.

TECH FREE Air Conditioning Mfy, Ltd., Dongguan, CHINA

is therefore granted the right to use the test mark shown below
in connection with the above-mentioned product group.
This certificate is valid until July 9th, 2026.

tested air-conditioning system

VDI6022 Model Control List（AHU）

Brand Name: TECH FREE

Product Nomenclature-Air Handling Unit:

TF M C – 10 10 F- E-V

- V:AHU certified by VDI
- Fan type:D=AC direct connected fan,B= centrifugal fan with Belt,E=EC fan
- Panel thickness: 50=Fifty,65=Sixty-five
- No. of Module (Width)
- No. of Module (Height)
- Chilled Water
- Modular
- "TechFree"
